Web

You want to look for information about different types of materials, their characteristics and possibilities? Then with the Web package, you can make unlimited use of MateriO's virtual material database. In this database you can search for, visualize and compare materials on the basis of the different criteria. You have access to essential data such as descriptions, pictures, technical characteristics and data of producers.

- You have unlimited access to MateriO's virtual material database.

MateriO Belgium is the first independent information centre for innovative materials in Belgium, based on the concept of MateriO, founded in Paris in 2001. The MateriO Belgium office is located in Brussels and the showroom is in Designcenter De Winkelhaak in Antwerp.

MateriO offers a large, international selection of contemporary, innovative materials and semi finished products that will inspire you while developing products and arranging spaces. MateriO combines the needs of creative professionals – product developers, architects, designers - and of firms, industrialists, engineers and researchers.

Your subscription is activated on receipt of subjoined subscription form and payment of 359.37 Euros (= 297 Euros + 21% VAT) on the account number 435-2018881-03 with as communication "MateriO Belgium".

This subscription is valid for one year.
