You want to go on learning and be kept informed of innovative materials?

You can participate in seminars, workshops and other interactive sessions in the showroom. A material expert immerses you into the world of new materials.

- You are informed about different subjects in the heart of the physical material database in the showroom of MateriO Belgium.

MateriO Belgium is the first independent information centre for innovative materials in Belgium, based on the concept of MateriO, founded in Paris in 2001. The MateriO Belgium office is located in Brussels and the showroom is in Designcenter De Winkelhaak in Antwerp.

MateriO offers a large, international selection of contemporary, innovative materials and semi finished products that will inspire you while developing products and arranging spaces. MateriO combines the needs of creative professionals – product developers, architects, designers - and of firms, industrialists, engineers and researchers.

Do you want to be kept informed of these seminars and workshops? Please fill out subjoined form.
